Enterprise Information Services, Inc.

Enterprise Information Services, Inc. (EIS)

EIS is a leading mid-tier solutions integrator providing Systems Engineering, Information Technology, and Program Management Office (PMO) services and solutions to the Federal Government for more than 20 years. EIS employs more than 400 professionals in 40 locations in over 25 states and OCONUS, and calendar year 2017 revenues rate exceeds $60 million.

EIS is an agile and dynamic company with relentless focus on customer mission success and delivering the best value to all our clients under all engagements.

EIS is CMMI DEV and SVC Maturity Level 3 appraised and ISO 9001:2015, 20000-1:2011, and 27001:2013 certified company. EIS enjoys excellent financial stability and has remained debt-free since inception. EIS has 8(a), Small Business, and Small Disadvantaged Business (SDB) contract vehicles under the $27.5 million size standard to partner with Federal agencies and industry partners. EIS is a small business under a 500 employee NAICS size standard.

Mission

EIS is dedicated to complete customer satisfaction through delivering high-quality and innovative services and solutions.

Commitment to Excellence

EIS' dedication to providing complete customer satisfaction is reflected in our commitment to developing an in-depth understanding of our customer's mission and requirements. We maintain a highly motivated professional workforce, skilled in the disciplines that complement our core business. EIS has a exemplary track record of providing total customer satisfaction through the delivery of high quality services, on schedule and at or below budget.

Goal

To be a preferred solutions integrator providing Systems Engineering, Information Technology, and Program Management Office (PMO) services and solutions to the Federal Government.

Guiding Principles and Quality Statement

EIS is committed to conducting business with honesty, integrity, and in full compliance of the law. We ensure client satisfaction with high-quality products and services that are delivered on schedule and within budget. We promote staff satisfaction through challenging work, excellent compensation, and career development. We use industry standards, best practices, and continuous process improvements to ensure mission and customer success.
