### Mission

EIS is dedicated to complete customer satisfaction through delivering high-quality and innovative services and solutions.

### Commitment to Excellence

EIS' dedication to providing complete customer satisfaction is reflected in our commitment to developing an in-depth understanding of our customer's mission and requirements. We maintain a highly motivated professional workforce, skilled in the disciplines that complement our core business. EIS has a exemplary track record of providing total customer satisfaction through the delivery of high quality services, on schedule and at or below budget.

### Goal

To be a preferred solutions integrator providing Systems Engineering, Information Technology, and Program Management Office (PMO) services and solutions to the Federal Government.

### Guiding Principles and Quality Statement

EIS is committed to conducting business with honesty, integrity, and in full compliance of the law. We ensure client satisfaction with high-quality products and services that are delivered on schedule and within budget. We promote staff satisfaction through challenging work, excellent compensation, and career development. We use industry standards, best practices, and continuous process improvements to ensure mission and customer success.
